FOR IMMEDIATE RELEASE

Jack Maiorino Exhibits at *Vintage Inspired Lifestyle Marketplace* in November

Burlington, VT: (October 23, 2013) Vintage Inspired Lifestyle Marketplace on Flynn Avenue in Burlington is pleased to announce an exhibition of drawings from New York artist Jack Maiorino, *Art on Post-it's*, November 1st-30th. There will be an opening reception Friday, November 1st, from 5:00 to 8:00pm. *Art on Post-it's* features beautiful, intricate pen and ink landscapes rendered on yellow post-it notes, featuring scenes both urban and rural. Vintage Inspired, A vibrant new marketplace for antique dealers, artists and craftspeople, is located at 180 Flynn Avenue, and is open Monday through Saturday from 10am to 5pm and Sunday from 12pm to 4pm.

From an artist statement, Jack Maiorino explains, "Art on Post-it's began rather by accident. After a vacation in Maine with my son Ellis, I had photos developed and on a break at my job, I began sketching from three of the landscape shots I had taken. I was pleased enough with them to enter the sketches into the Art show that the New York State Court System sponsors in the fall. I won first prize for the next three years and by that time had developed a portfolio. I presented it to the developers of the Brooklyn Flea Market in Williamsburg and earned a space to sell my work. Some of my pieces have been used in two independent films and have been seen in a local NYC news handout."

Jack's background includes an A.A.S degree in Advertising/Design from N.Y.C.C.C. in 1974, now known as New York Technical College in Brooklyn, and years of drawing on his own. Jack has exhibited at the Greenwich Village Outdoor Art Festival, Starbucks and the N.Y.S.Court's Annual Art Show. He's currently a member of the Brooklyn Flea in Greenpoint/Williamsburg, and has been commissioned by restaurants in and around the New York area.
